**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic for several reasons years ago. My family up in Sebastopol raved about the service and I was disgusted with ATT. ATT delivered poor quality service and customer service was a nightmare. Sonic quality has been terrific and customer service is so nice that it is tempting to call even if I dont have a problem!

Do not limit my local carrier from offering our community a great product at an affordable price. I am a medical professional and need a trustworthy company to assist me in providing better care for my patients. Broadband should be available and affordable to everyone. We need to encourage quality competition and we need to end the era of big telecommunication monopolies like AT&T
